Re: MTA Small Business Mentor Program and Prequalification Application

Dear Francisco Cifuentes,

I am pleased to advise you that your firm has been accepted for admission into the MTA Small Business Mentoring Program, Tier 1 (the "Program") and has been prequalified for the following construction trade(s):

**GENERAL CONTRACTOR – CONCRETE/ PAVING/ MASONRY**  
**GENERAL CONTRACTOR – EXTERIOR MODIFICATIONS**  
**GENERAL CONTRACTOR – INTERIOR MODIFICATIONS**

You will be contacted shortly by the Program's Construction Manager, TDX Construction Corporation, to schedule an evaluation of the mandatory mentoring services your firm will need in order to participate and succeed in the Program.

As a participant in the Program your firm will be included in the list of firms that will be given the opportunity to compete with other Program contractors for specific construction projects included in the Program. We currently anticipate that a small number of projects will be ready for competition within the next month.

As part of any Program bidding process to which your firm may be invited to participate, all bidders will be required to complete the MTA's standard responsibility form, and the lowest responsive bidder will be subject to MTA's standard responsibility review requirements prior to any contract award decision.

Finally, please be reminded that if there is any significant change in the information provided in your firm's application, you must promptly notify the Construction Manager.
